

450 Ti2S

◆ Engineered to strike a balance between performance, power, size and stability this intuitive machine is designed for intense and focused training. Compact yet capable, the 450 Ti2S running deck is optimised to meet the needs of runners seeking longer strides. And, adding architectural elegance to its dramatic look, Intenza's 450 Ti2S Series Treadmill delivers visual information through surface materials affording haptic perception: function coupled with touch—sensitive surfaces that enhance the user experience.
