

JX-MOUNTAIN RIG

JXMR

◆ The JX-Fit Mountain Rig combines the strength and versatility of our standard JX-Fit 24 with one of the staples of military boot camp training. From one end of the rig to the other, we have created a 24 monkey bar escalating in height toward the center section of the unit.

◆ DIMENSION:

Length : 295 inches / 749 cms

Width : 86 inches / 218 cms

Height : 146 inches / 371 cms
