

TIBIA TRAINER

JPL-136

- ◆ The innovative and compact design allows user to perform tibialis anterior workout. Seated position loads the resistance through the hips as opposed to through the spine.

- ◆ **DIMENSION:**
Length : 40 inches / 102 cms
Width : 15 inches / 38 cms
Height : 14 inches / 36 cms

- ◆ **MUSCLE WORKED:**
Soleus
